

## GARDEN COMPETITION AND GOOD NEIGHBOUR AWARD

Our tenants have been working hard again on making their gardens look great. We have had a number of nominations for this year's garden competition.

It's going to be a hard choice in picking the winner as there are so many Dunbritton tenants that have green fingers.

It is really inspiring to see such vivid colours from Dunbritton to Lochgoilhead and the Association would like to thank all the tenants that have made their gardens and their neighbourhoods so beautiful.

Clydeview, Helensburgh

West Bridgend, Dumbarton

## **Good Neighbour Award 2018**

The Association are running our annual Good Neighbour Award campaign again this year. There will be two winners identified, one for the West Dunbartonshire area and one for the Argyll & Bute area.

Has your neighbour been one in a million?

- Do they help you over the winter/ summer months?
- Has your neighbour or their family helped you or someone else in your area?
- Do you have a neighbour who is always helping the local community?
- Do you have a neighbour that cuts your grass for you or takes your bin out?
- Or even just checks on you every so often to make sure you are doing ok?

If you have one of these neighbours and you would like to nominate them for the Good Neighbour Award you can speak to your Housing Officer when you see them out and about in the estate or you can contact the office on 01389 761 486 or email your nomination to [admin@dunbritton.org.uk](mailto:admin@dunbritton.org.uk)

Let's reward these special people and let them know we appreciate their hard work and the valuable contribution they make towards the local community.

Each winner will receive a £50 shopping voucher of their choice. Both winners will be presented with their prize and a certificate at our Annual General Meeting in September 2018. The closing date for nominations will be 31<sup>st</sup> August 2018
